

Nittin S

snittin06@gmail.com | [GitHub](#) | [LinkedIn](#) | [LeetCode](#)

SUMMARY

- **Data Structures & Algorithms:** Solved **1,500+** problems on [LeetCode](#) with a top global ranking (~6,000).
- **Open Source Developer:** Active public code contributor on [GitHub](#) specializing in Python and data analytics tools.
- **AI & ML Undergraduate:** Student at Easwari Engineering College focusing on software engineering and data science.
- **Domain Expertise:** Applied data analysis and machine learning techniques to real-world athletic performance datasets.

PROJECTS

- Cycling Performance Analytics Tool** | *Python, Pandas, NumPy, Matplotlib* August 2025
- Engineered data analysis pipelines to process and interpret real-world athletic cycling datasets.
 - Analyzed raw fitness files to extract time spent at peak outputs, average watts, and interval performance metrics.
 - Created automated data visualization models using Matplotlib to present actionable performance insights.
- Robotics & Embedded Systems Integration** | *C, Raspberry Pi, Arduino, Sensors* May 2025
- Designed and programmed embedded logic on microcontrollers to build automated hardware devices.
 - Integrated physical sensors and actuators for real-time telemetry processing and environmental tracking.

EXPERIENCE

- Easwari Engineering College | AI & ML Student** August 2025 – Present
Computer Science (AI & ML Specialization) *Chennai, India*
- Built a strong foundation in core computer science, algorithms, and data structures.
 - Developed personal software projects and maintained active problem-solving repositories on GitHub.
 - Applied domain knowledge in high-performance athletic analytics to interpret data and model training trends.

TECHNICAL SKILLS

Languages: Python, C, JavaScript, SQL, HTML, CSS
Libraries & Frameworks: Pandas, NumPy, Matplotlib, Scikit-learn, OpenCV
Tools & Hardware: GitHub, Git, Jupyter Notebook, Raspberry Pi, Arduino
Core Competencies: Data Structures & Algorithms, Data Analysis, Machine Learning Basics

EDUCATION

- Easwari Engineering College, Anna University** Chennai, India
Bachelor of Technology in Computer Science (AI & ML Specialization) *Expected May 2029*
- **Competitive Programming:** Solved 1,500+ problems on [LeetCode](#)
 - **GitHub Repositories:** Active open-source projects on [clay2113](#)
